

Candidates for Mayor

District of North Vancouver

Overview

Since 2007, Flicka Gymnastics Club has been diligently working within the city planning process for the redevelopment of the Harry Jerome Recreation Centre. Various representatives have met with the senior staff throughout that time to secure a home for gymnastics when the existing facility is knocked down.

Despite our best efforts, our club and the sport of gymnastics has been **excluded in plans for the new Harry Jerome Recreation Centre and funding for a facility elsewhere has been declined.**

Call to Action

With this in mind, Flicka Gymnastics Club is asking parents, friends and alumni to vote for councillors, schools trustees and mayors who will support our inclusion in the new Harry Jerome and safeguard the future of gymnastics here on the north shore.

Candidate Statements

Flicka Gymnastics Club asked all the candidates in the upcoming election to provide statements regarding their support for Flicka Gymnastics Club's inclusion in the new Harry Jerome Recreation Centre.

The following candidates for **Mayor** for the **District of North Vancouver** have provided statements: (In Alphabetical Order)

Amlani, Ash	I am a public health professional who happens to be the only woman candidate on the ballot for Mayor in the District of North Vancouver. I assure you that I will strongly advocate for fair resource allocation for female athletes. Opportunities in sport for girls not only improves their physical health in the short term but also builds strong, assertive leaders for the future.
Barzilay, Erez	As it seems at the moment, you got my full support to push this through DNV channels, if ever the option will arise.
Webb, Glen	I would be willing to have the District and CNV explore a solution that meets the needs and expectations of all user groups

	<p>that want access to gymnasium space in either a fully renovated MMCC or the new HJCRC. However, as a tax payer in the District, I am not prepared to commit the District to providing capital funding for sports facilities or recreation centers located outside of the DNV's jurisdiction.</p>
